Getting Closer to the European Cancer Plan for Children and Adolescents

After the success of the SIOPE-ENCCA conference (18-19 September 2014, Brussels, Belgium), which achieved a broad multi-stakeholder consensus from across the spectrum of cancer actors, our long-term Strategic Plan for paediatric oncology is being further developed by our Society... [Read More](#)

SIOPE Members Get Exclusive Benefits

Our community is increasingly growing: today, SIOPE represents over 1,500 members, individuals committed to a better paediatric oncology care and research in Europe. This year, we will offer you even more advantages at the European Cancer Congress as SIOPE member... [Read More on:](#)
