CLEAR 2019

The CLEAR organizing committee is looking forward to welcoming you to the 2nd conference focusing on childhood leukemia early adverse reactions from the 9th to the 11th of May 2019 in Copenhagen (Denmark).

The CLEAR 2019 conference will explore and discuss the clinical perspective of both disease- and treatment-related adverse reactions in children with leukemia.

The conference is an opportunity to interact with experts in the field and build partnerships with colleagues from around the world on these important topics.
